

**FASTEN**  
Freight Services W.L.L.

# Move Your Dreams To The Right Direction

## ABOUT US

### We are best of the world.

Our Professionally trained, moving team will handle all your items with utmost respect and care. We supply trucks, tools, packing materials and crew to make the transition from your old location to your new location 100% stress free.

An autonomous freight forwarding company

**FASTEN FREIGHT SERVICES WLL** is a symbol of principles, professionalism, quality, and enduring dedication.

### We are world leader.

One of the main factors leading to the development and growth of our cargo operations is due to the service facilities of Air, Sea and Land Cargo. Around the clock flights to any destination in the world and regular sailings at competitive rates make our network reliable and accessible to help you import and export your commodities worldwide.
